Dear Friends,

I hope you all had a wonderful Thanksgiving. Now comes Christmas with all its wonder! The most amazing thing in all of time is that God came to this world in the person of His Son Jesus and became our savior. That's what Christmas is truly about.

Terri and I want to wish you all the very best this Christmas. Our prayer for you and your families is that you will enjoy and experience the true meaning of Christmas and that we as a family of faith will share that message with all we come in contact with this blessed month.

There are lots of great activities for us to enjoy in the fellowship of the Harvest. Be aware of all the announcements on the December calendar and participate in them all. Use these activities as opportunities to invite your friends and family. The atmosphere of the Harvest will always be festive and hospitable to all. It is my prayer to see many new faces and add many new members to this faith family this month.

As you give to your friends and family be sure to bring gifts to Jesus. It is His birthday you know. I hope you plan to bring Him offerings of gratitude and worship this month. I look forward to celebrating with you all this month.
