From Pastor CW

Dear Friends,

I hope you are getting off to a great start for 2012. It's going to pass fast so don't waste a minute nor an opportunity. The Bible talks about how brief our lives are. In the Psalms it says that life is like a hand breadth. In James we read that life is like a vapor. I think you get the idea.

My prayer for myself and all of the people of God is that we will cease every moment of our lives and never miss one of the glorious things God wants us to have and that God wants us to do. I think when Paul said to the Romans "***Be not conformed to this world but be transformed by the renewing of your mind that you may prove what is the good and acceptable and perfect will of God***" (Ro. 12:2) He was talking about how essential it is to our success as God's children and His church to think right so we can act right.

As you begin this new year 2012, make the commitment to think right. Think about the fact that as long as you are walking with God nothing can harm you or hold you back! The problems of the past are in the past. Leave them there! Walk with God hand in hand and let HIM be your guide to successful living. I look forward to living this year with Him and with you!

Yours in Christ

Pastor CW
