We need you to sign up for November & December Greeters

Dear Friends,

I hope you are all having a wonderful Fall season. Terri and I have been enjoying admiring God's beautiful creation. It's an amazing thing to see how God has arranged everything and set the seasons in order. Take time to look at the fall beauty in the midst of your busy days. It can actually help you to get things in perspective.

I am amazed at the way God is blessing us here at the Harvest. We are seeing new people every week and more folks are being added to the family of The Harvest all the time. I hope you are getting acquainted with each other and becoming involved in each other's lives. The book of Acts tells us that the early Christians shared in fellowship with one another and spent time with each other even in their own homes. It was wonderful to have all of you in our home on the 16th. I want to do that more and more. I enjoyed watching you all interact with each other and saw you making the connections that we all need to make with the Body of Christ. I hope you will take time to have each other in your homes during this special time of the year and be mindful of your developing family of faith.

There's a new opportunity for discipleship that I am excited about. On Tuesday mornings at 10:00 I have started a **Discipleship Group**. We are studying basic Christian discipleship.

We have been meeting for two weeks now and would love to have you pick up where we are. We studied from John 1:1-14 about the identity of Jesus. It has been a blessing to have this time with the ones who come. There's also a women's book study group beginning on Tuesday nights. They will start the 8th of November 7 to 8 P.M. They will be studying the Joyce Meyer book **Battlefield of the Mind**. You will need to sign up for this study if you plan to come so they can order your material. The sign up sheet is on the table in the worship center. We will also be having a **Harvest 101** class on Saturday November 5 from 9 to 12. This is for all newcomers to The Harvest. Please plan to attend. The Sign up sheet is on the table in the Worship Center.

AWANA is going great! I want to thank all of you who are involved. We had two children receive Christ Wednesday before last in AWANA. That's what I'm talking about! Let me encourage you to keep coming and bring your friends to all of the activities of The Harvest Church. I look forward to seeing you every week in November.

In Christ
Pastor CW
